### What is the Koorie Youth Summit?

The Koorie Youth Summit is a place for Aboriginal young people from around Victoria to come together and share what's important. Each year our delegates gather from around the state to connect with each other, celebrate our culture, discuss what's happening in our communities, and share ideas to make change and create a future we want.

## *The 2019 Koorie Youth Summit*

*PAST. PRESENT. FUTURE.*

This theme depicts our communities' journey, where we have been, where we are & where we are going.

Paying our respects to our Ancestors and Elders who have paved the path for us, acknowledging the resilience and determination in making a change for our community.

Discussing where our communities' are at the moment, yarning about the crucial roles young people must have in our communities'.

And working towards further self-determination in the future, how this is exercised and where.

The 2019 Koorie Youth Summit will be held outside of Melbourne, 20 minutes outside of the Bacchus Marsh town centre, at the YMCA camping grounds. Providing all delegates with two options of accommodation, camping or shared lodging, the 2019 Koorie Youth Summit will be a unique experience.

The 2019 Koorie Youth Summit will take on this opportunity by providing a festival like platform for everyone. Giving each of our stall holders the opportunity to have outdoor activities and a truly interactive stall. Located within a close proximity to the main stage, featuring young Aboriginal musicians, your stall will set the scene for a great lunchtime.

Each stall will include a:

- Under cover space (approximately 2m x 2m)
- Table with table cloth
- Stall holder signage
